

**FORTY THIRD ANNUAL GENERAL MEETING OF
RAMAKRISHNA VIVEKANANDA MISSION SOCIETY
HELD AT THE HEADQUARTERS OF THE MISSION AT
7, RIVERSIDE ROAD, BARRACKPORE, ON SUNDAY,
10TH NOVEMBER, 2019 AT 4 PM.**

Welcome Address
Swami Nityarupananda
Secretary

Hon'ble Mr. Chairman and Respected Members,

On behalf of the Governing Body of Ramakrishna Vivekananda Mission Society and also on my personal behalf, I cordially welcome all of you to the 43rd Annual General Meeting of the Mission Society here in the Holy Temple of Sri Sri Ramakrishna Paramahansa Dev.

Let me begin by paying the most deferential respect to Late Swami Nityananda Maharaj, the founder and the architect of the Mission and Vivekananda Math. A great "Karmayogi", he established, almost single handedly, this Mission and this Math a little more than 40 years ago, fighting against all odds and meeting all challenges with exemplary courage and determination.

Simultaneously, he was an equally great “sevayogi” too, who till his last breath, engaged himself in the task of eradication of the miseries and sufferings of hapless women and unfortunate disabled and distressed children. He is no longer in his earthly embodiment, but he continues to be an eternal source of inspiration to all of us.

Before I proceed any further, I have to share with you, the sad news of the demise of late Sarojendra Lal Saha, Sagarnath Ghosh, Nani Gopal Ghosh and Kalipada Chowdhury are much loved colleagues and friends who have left this earthly world in the recent past. An obituary, recalling their services to this Mission has been annexed to my report. Let us pray for eternal peace for the departed souls.

Now I submit the Annual Report on activities performance, achievements and accounts of the Mission Society for the financial year 2018-19 along with multiple relevant annexures that will provide various information about the Mission or elucidate points given in the text.

Members may kindly recall that the most fundamental object and goal of our Mission – as

also the Math – is to serve mankind in need, irrespective caste, creed, colour and religions and wherever such persons are to be found. In trying to achieve the goal, our main thrusts are on educational front, i.e. effort to spread quality education among young boys and girls, and on welfare front, i.e. effort to promote welfare of children, the old and the differently able girls and women. We are also mindful of the need to impart various types of skills – particularly technical skills – to groups of relatively senior boys and girls to enhance their employability. Various statistical data furnished in different annexes to this report will indicate the extent of our success on these fronts. We are actually aware that there is no limit to progress and we can only try to reach the ever receding goals. But we are trying hard and promise to keep on trying harder and harder in days to come.

1. Let me now report our progress in some of the important welfare activities including those in education sector.

Statistical information relating to welfare homes, educational institutions, medical units and financial positions will show that 1715 inmates including orphan/destitute children

deaf, dumb, blind girls and women in distress were maintained free of charges in various welfare homes along with 651 paying boys and girls in the Vidyarthi Ashram under the Mission and Math. The welfare homes are supported by the Social Welfare Department and Mass Education Department of the Government of West Bengal. We express our thanks to State Government for their continuous support.

In non-formal education sector, we have maintained 7 Pavement Schools that imparted education to 170 students between the age group 6 to 15 as a part of development of slum/street and red-light areas. In open shelter project we had 36 girl students. The Mission extended educational support to another 121 students belonging to the financially backward classes of the society. Thus a total of 327 students benefitted from this project.

Our open shelter has been providing support to the Barrackpore Commissionerate as short stay home to girls rescued from immoral trafficking.

Mission has also provided support to the children of red-light areas in collaboration with Apne Aap woman Worldwide India Trust. In all 24 children are at present being taken care of institutionally and education is being imparted to them under this project.

2. Now we move to our activities in education sector

There were in the year in question 17,157 students on the rolls of different educational institutions upto higher secondary standard under our Mission and Math. Out of them, 9,115 students study in our schools at Barrackpore. It is a matter of great satisfaction for us. Some statistics given below will indicate our achievements in this sector.

3. Next, we turn our attention to technical education

To meet the demand of the technical hands required in both public and private sector, our Mission has given a special thrust to development of Industrial Training Institutes and Vocational Training Centres run by the

Mission. We have arranged a tie up with Maruti-Suzuki Pvt. Ltd and Bengal Beverages for offering job to the pass-out students in auto-mechanic trade.

During the year under review, a total number of 436 apprentices and trainees received “on the job” training as per table given below:

Trades	Barrackpore	Joyrambati
Tailoring	Nil	89
Computer	Nil	37
Auto-mechanic	37	76

Tailoring at Bongaon	20	-
Grand Total	436	

In collaboration with Bhatpara Municipality, the Mission has conducted Tailoring Training for 100 women (50 in a batch) during the year under review.

4. Our achievements in higher education sector are also noteworthy

This Mission runs two self-financed college under this Mission (a) Sarada Ma Girls' College at Barasat and (b) Swami Vivekananda College of Education for Women at Barrackpore. Both of these colleges are affiliated to West Bengal State University, Barasat. While first one offers various courses at under graduate and post graduate levels, the second one is a B.Ed. College.

Members will be glad to know that apart from two post-graduate courses, Sarada Ma Girls' College now offers honours courses in nine different subjects at the graduate level with fifteen combination subjects.

During the year under review, a total of 675 students in the regular courses of Sarada Ma Girls' College and 60 students in the study centre under the Directorate of Open and Distance Learning of Kalyani University and West Bengal State University, Barasat received education.

It is noteworthy that Swami Vivekananda College of Education for Women (B.Ed. College) has

been allowed an intake capacity of 50 students by the Eastern Regional Committee (ERC), national Council of Teachers Education (NCTE), Bhubaneswar. Our B. Ed. Results have always outstanding since its inception in 2005-06. At present there are 100 regular students.

We are aware that education is both the corner stone of character building of the students and also the provider of the means to sustain and develop them economically and financially in a meaningful manner. Successful running of the educational institutions under our Mission is therefore of great importance to us. Some of the relevant information has already been submitted while reporting success of our students in various public examinations in 2019. Some more information is available in various annexures.

5. Our medical units at four places are running satisfactorily.

In course of the year under review a total of 35,970 patients received medical treatment in OPDs of the allopathic and homoeopathic medical centres, both taken together, at Barrackpore, Suryapur, Mandarmoni (in Purba Medinipur district) and Bongaon. The OPD and

diagnostic units are equipped with facilities for X-ray, pathology, USG and ECG.

6. Members will be glad to know that the overall financial position of the Mission is satisfactory. The table produced below gives the sum and substance of the financial position of the Mission in 2018-19 while comparing the same with the position in 2017-18.

7. We may now have a look at the total staff and volunteers working during this year.

Quite a large number of workers coming from different walks of life have served in different units, centres as also offices in the year under review. The total number of the staff and honorary workers/volunteers was 703 and 475 respectively our Math also has nearly 200 volunteers. The variety of their educational attainment, capability and working skills is enormous. But all of them share one unique equality and that is their unflinching devotion to Sri Ramakrishna, Ma Sarada and Swami

Vivekananda and their commitment and determination to translate the teachings of the Divine Trio into action. I am happy to report that we in this Mission, are working as a team. Members of this team maintain a cordial and mutually respectful relation with each other. It strengthens our organization immensely. As a result, performance of the Mission as a whole, has been improving over time. We are sure of our success in meeting the challenges ahead due inter alia to our innate organizational strength.

8. I would not submit highlights of a few important events that took place in course of 2018-19.

i) Celebration of Swamiji's 125th year of completion of his Chicago Address.

On the occasion of 125th year of completion of Swamiji's Chicago Address in 1893, a Conference of all Religious Faith was organized by the Mission on the 15th of September, 2018 at 3 pm in Agarpara, Kolkata- 700058. Sjkt. Shuvendu Adhikari, Hon'ble Transport and Environment Minister, Government of West Bengal graced the occasion as Chief Guest. Other dignitaries who

attended the conference included Sri Swapan Kumar Ghosh, Chairman of Panihati Municipality, Md. S.M. Zaki, Secretary, Assembly of Angels, Barrackpore. Mr. Preetpal Singh, Barrackpore Gurudwara, the Principal of Morning Star College, Barrackpore, the Chief Priest of the Buddhist Monastery, Barrackpore and Sri Koushik Mukherjee Councilor of Panihati Municipality. Besides Hon'ble Justice, Ajit Kuamr Nayak (Retd) and the President of this Mission, along with a number of members of the Governing Body, participated in the deliberations.

At the outset, the Secretary of this Mission, while cordially welcoming all the dignitaries, expressed his ardent hope that the Conference would yield a grand synthesis of different religions although followers of different religion followed different paths to reach the Almighty.

The discourses presented through deliberations of the participants were highly thought provoking, informative, innovative and illuminative. The discourses firmly indicated the fundamental oneness of all religions.

After the Conference was concluded refreshment was served to the guests and the participants too.

ii) **Inauguration of Bongaon Centre**

By the divine grace of Sri Sri Thakur, Sri Ma and Swami Vivekananda, the Mission added one more centre to its long list of centres that spread education and promote welfare of the needy. It is located in Champaberia, Chakdah Road, in North 24 Parganas, Pin- 743235. This centre has been inaugurated on 27th December, 2018 in humble way by Swami Nityarupanandaji, the Secretary Maharaj of the Mission. It has been planned that the existing temple and other civil structures would be renovated and the following activities would be taken up i.e.

- 1) a vocational training centre for women specializing in tailoring trade;
- 2) a charitable dispensary;
- 3) an orphanage for 50 destitute boys; and
- 4) a primary school.

It has also been proposed that a drive would be initiated to increase membership from the local population. Members would be happy to note that

some progress has already been achieved in reaching these goals.

iii) **A programme to create awareness of the need to cleanse the river Ganga**

There is no two option on the question of making the Ganga free of pollution. Ceaseless human activities – mostly of undesirable kind – have made the water of the sacred river thoroughly unclean and full of harmful and dirty substances. On the 7th of January, 2019 an “Anti Pollution Team” visited the main office of this Mission with a view to make everyone in this Mission – but particularly our students – aware of this critically important need for protecting the environment of India. The team included Dr. Snehal Dhonde the convener of the team, Dr. Singh-ji its leader, who is popularly known as “the Waterman”, Sri Ramadhiraj-ji, the Principal of Oswal College, Madhya Pradesh, Sri Om Prakashji of Jamshedpur and Janab Md. Mehtab of Haryana.

As requested by the “Anti Pollution Team”, an interaction programme with all concerned in this Mission, but once again mainly with our students was held at the premises of the Mission. This programme yielded a rich harvest in the shape

of enthusing all participants and filed their minds with determination to make the most sacred river of our country free of all sorts of pollution. Our distinguished visitors also provided a wealth of valuable information about the mechanism to achieve this highly laudable goal. Mission has also taken ample of steps to clean Ganga such as it has stops throwing flowers, garbage in the Ganga and it is trying to setup water treatment plant.

Not only that, the interactions imparted to the participants a lot of relevant information and knowledge about the current scientific date related to the subject. The result of the entire programme was highly satisfactory.

iv) **Observance of the 5th annual “Commemoration Day” “Sadhu Bhandara” and “Nara Narayan Seva” of Swami Nityananda Maharaj.**

On 18th January, 2019, in our Mandarmoni Centre, the aforesaid sacred programme was solemnized with devotion, enthusiasm and incitement. In our centre Temple, right from the morning commenced with Sri Sri ‘Geeta’ and ‘Chandi’ recital, Bhajan, Special Puja, oblation of Fire (Hom Yoga) were performed. Around 11 am,

commemoration assembly was called to order. At the outset, the welcome address was given by the Asstt. Secretary Swami Vedananda Maharaj followed by Swami Saradatmananda Maharaj, Swami Shivarupananda Maharaj, Swami Punnyalokananda Maharaj, Swami Prabuddhananda Maharaj and concluded by Rev. Secretary of the Mission Swami Nityarupananda Maharaj.

After the end of commemoration assembly – commenced “Sadhu Bhandara” in which more than 100 Sadhus participated. Thereafter, Seva of devotees and Nara-Narayan were executed efficiently.

This octagonal programme from morning till sun-down had the happy ending under the dynamic leadership of Swami Debatmananda the Incharge of our Mandarmoni centre.

v) **Swami Nityananda Memorial Award for Nara-Narayan Seva Ceremony 2018.**

Members will recall that this Mission has, in the recent past, instituted Swami Nityananda Memorial Award for “Nara Narayan Seva” in the sacred memory of late Swami Nityananda Maharaj

who was a tireless and every-follower of the motto “জীবে সেবা করে জেইজন, সেইজন সেবিছে ঈশ্বর”. It will be enough to recall that late Swami Nityananda Maharaj, not only founded the Ramakrishna Vivekananda Mission and Vivekananda Math, within a relatively short span of about 25 years but also established more than 30 centres all over this state and elsewhere too, for imparting education as also to ensure well being of a large number of children, particularly destitute children, girls, and women in distress and differently abled women who had have no shelter and nowhere to go to. This award is meant to inspire people to follow his footprint. It is awarded to institutions as also to individuals having commendable track records of servicing the poor and the needy irrespective of caste, creed, colour or religion, over at least 5 consecutive years. The cash value of each award is Rs. 50,000/- which is accompanied by a citation.

This year, under the institutional category, “Village Welfare Society” was given the award, while under the individual category, Dr. Mata Sarkar received the same. Sri Ajit Kumar Maity accepted the award on behalf of “Village Welfare Society”. Both Sri Maity and Dr. Sarkar were personally present in the Award giving ceremony

that was held on the 20th of January, 2019 at the Mission headquarter at Barrackpore. The event, marked by solemnly and grandeur, was presided over by the distinguished personage of Sri Shyamal Kuamr Sen, a former Chief Justice of Calcutta High Court (Retd) and a former Governor of West Bengal. Sri Biman Bandopadhyay, the Hon'ble Speaker of the West Bengal Legislative Assembly graced the occasion as the Chief Guest.

Village Welfare Society is doing commendable work in the field of Women Empowerment, Child Welfare, Old Age Care, Clean Kolkata Programme, Sustainable Agriculture, Health and Sanitation Programme since 1981.

Dr. Maya Sarkar is a founder of US based organization named Street Children International for helping the street children worldwide through education and nutrition since 1987.

Both Justice Sen and Sri Bandopadhyay praised this year's award wholeheartedly for the latters' sincere efforts to help the indigent. They also thanked the Mission for encouraging people in general to emulate the Mission's example of servicing the poor and the needy. Justice Sen while

expressing his great regards for late Swami Nityananda Maharaj, wished for further and future success of the Mission and the Math on the front of their humanitarian services. Sri Biman Bandopadhyay also wished to the Mission and assured his help and cooperation to the latter in translating in reality the dream project of late Swami Nityananda Maharaj, namely established of “Ramakrishna Paramhansa University”.

vi) **Visit of delegates from “Save-A-Child” organization of the USA.**

On 22nd of January, 2019 a delegation of the officials and workers of “Save-A-Child” paid a visit to the headquarters of our Mission. The delegation consisted of Mrs. Louise Nicholson, Aunar Balm and Zakari Feuer. They came down all the way from New York to see for themselves what the Mission has been doing and how it has been doing the same. They held extensive and intensive discussion with the Secretary of this Mission and other associated with it. They were taken to see two centres located in close proximity of the Mission headquarters. A cultural function was organized in their honour. The function commenced with chanting of some “slokas” from “the Geeta” rendered by the students of Agarpa Swami Vivekananda Academy and thereafter vocal songs and dances were performed by the same group of students, blind girl students of our Suryapur Centre as also by the deaf and dumb girl students.

The delegates were much impressed by the music and the dance recitals rendered by the students, as also by the way the Mission has been performing humanitarian services.

vii) Swami Punnyananda Memorial Fund by ex-student of Rahara Ramakrishna Mission, Balakashram.

The council of the past-students' of Ramakrishna Mission Boys Home, Rahara had decided to donate some funds to this Mission in term of a resolution of its Annual General Meeting, the purpose of the donation being promotion of welfare of the orphan and destitute boys and girls. Accordingly, the representatives of the Council handed over a demand draft of Rs. 5 lakhs to the Secretary of our Mission on Sunday, the 3rd of February, 2019. The fund was to be known as Swami Punyananda Memorial Fund in the memory of Swami Punyananda, who was the much loved and much respected teacher of those ex-students of the Ramakrishna Mission Boys' Home at Rahara. The donors stipulated that

- a) the funds, consecrated as Swami Punyananda memorial Fund, would be kept in a fixed deposit in any suitable branch of the State Bank of India;
- b) the interest accrued from this fixed deposit shall be spent only for the purpose of promoting the well being of the orphan and the destitute boys and girls; and

- c) that the authorities handling the fund should, on the occasion of the birthday of Swamiji, make a proclamation every year to the effect that earnings from this fund were and also would – being spent for the purpose stipulated by the donors.

The demand draft was accepted by the Secretary of our Mission with sincere thanks to the donors. Our Mission also felt happy for being selected as the appropriate agency to serve the purpose of creation of the Fund faithfully and correctly.

viii) **Construction of a new Centre at Chanditala, Hooghly.**

With the help of Sri S.R. Goenkaji and Smt. Madhulika Goenka a new welfare and educational wing is under construction at Chanditala PS, Hooghly as a CSR project of Bengal Beverages Pvt Ltd, Dankuni (a subsidiary of Coca-Cola).

- ix) Special Tiffin for the destitute residential children at 78, Middle Road, Barrackpore was arranged by the Chief Executive Officer, Barrackpore Cantonment Board on 16th

January, 2019. Swami Shibatmananda was also present in the programme.

- x) The Secondary school of Joyrambati Branch (Dist- Bankura) of this Mission has been upgraded as Higher Secondary School from session 2019-20 by the West Bengal Council of Higher Secondary Education.
- xi) One Homoeopathy dispensary started at Bogaon branch of this Mission on 29th January, 2019.
- xii) Students of RKV Mission Vidyabhawan participated rally in memory of victims of Pulwama attack at Barrackpore on 19th February, 2019.

A short biographical picture of Sri Ramakrishna Paramhansa Dev, Sri Ma Sarada Devi and Swami Vivekananda

Sri Ramakrishna Paramhansa Dev (1836-1886)

Sri Ramakrishna was born of poor parents at village Kamarpukur in the district of Hooghly of West Bengal. His earlier name was Sri Gadadhar Chattopadhyay. Even in his very childhood, Gadadhar gave on many occasions, a clear evidence of divine inspiration and power through his thoughts and actions. While very young, he felt a keen urge to know if the Divine power of God manifests itself through everything on earth, particularly through the idols or images the Hindus generally worship.

At the age of seventeen, he was sent to his eldest brother at Kolkata where the latter conducted a Sanskrit academy. On being advised to join studies in keeping with the tradition of the Bramhins, he replied, “Brother, what shall I do with a mere bread winning education? I would rather acquire that wisdom which will illuminate my heart and in getting which, one is satisfied forever.” Thereafter he

was engaged as a priest in the Holy temple of Goddess Kali on the bank of the Ganges at Dakshineswar, 8 kilometres off towards the north of Kolkata, a city which was then full of western thoughts and more Europeanized than any other city in India. There he practiced in extreme austerity while performing daily worship in the temple of Kali and ultimately realized that God is the goal of human life and God is the only friend of all beings at all times and under all circumstances. Thereupon he wanted to know the Truth in other religions.

Towards the end of 1866, he got formally initiated into Islam. As a non-Hindu, he began to reside outside the precincts of the temple and started dressing and behaving like a devout Muslim reciting the namaz regularly. In 1874, i.e. after about 8 years, he practiced Christianity imbibing all the teachings of Christ. Thus he tried all beliefs and traversed all different ways one by one. He realized that all the religions are equally true and there are different ways of getting to the truth of existence and everyone has the right to approach God in his or her own way. He said, "A lake has several ghats. At one, the Hindus take water in pitchers and call it "jal"; at another, the Mussalmans take water in leather bags and call it "pani". At the third, the Christians call it "water". Can we imagine that it is not "jal", but only "pani" or "water"? How ridiculous! The substance is one under different names, and everyone is seeking the same substance; only climate, temperament, and name create differences. Let each man follow his own path. If he sincerely and ardently wishes to know God, peace be unto him! He will surely realize Him.'

He expressed in very simple words, with the aid of stories and parables, the great truths he had realized. He was totally free of any dogma and bigotry and emphasized that there could be no claim to monopoly over spiritual matters. Naturally, great scholars and numerous spiritual aspirants, belonging to different sects, with genuine desire for god – realization, were attracted by his wonderful teachings. He did not claim any originality. But with great humility he could keep his audience spellbound for hours together with lucid talks and unfathomable wisdom. During the British rule, education was arranged in such a manner as to turn out men who would be English in taste and intellectual outlook. The shaken Hindu social culture with its spiritual foundation was at a critical juncture when the life and message of Sri Ramakrishna brought fresh strength into the Hindu Society. In fact, from the quiet abode at Dakshineswar he breathed life into Hinduism and ushered in an era of Hindu renaissance.

The great contribution of Sri Ramakrishna to the modern world is the harmony of religions. He preached equal regard for all faiths – “Sarvadharmasadbhava.” He was the embodiment of renunciation and example of the complete conquest of lust and of desire for money. By his life Sri Ramakrishna teaches us that pride and power, wealth and glory, are nothing in comparison with the power of spirit. In fact, he was one of those rare beings, in whom the flame of spiritual life burnt so brightly that all who came near were able to share the illumination. Never before mankind got such a unique personality with synthesis of Jnana, Yoga, Bhakti and Karma.

Sri Saradamoni Devi (1853-1920)

Three miles from Kamarpukur is the village Joyrambati, in the district of Bankura, where Saradamoni Mukherjee was born. At the age of 23, Sri Ramakrishna married Sarada, 5 years old. On being questioned by Sri Ramakrishna, Sarada, on her first visit to Dakshineswar at the age of 19, replied without any reservation that she was not interested in a worldly life and would help him in his pursuit of God. A few days, thereafter, while massaging her husband's feet, Sarada wanted to know what he thought about her. In reply Ramakrishna said, "The divine Mother who is worshipped in the temple is verily the mother who has given birth to this body and who is now putting up in the music tower, and again it is she who is massaging my feet at the present moment, verily, I look upon you as a representation of the blissful Mother in human flesh."

Such behaviour of a husband towards his wife is not recorded anywhere in the history of mankind where the husband saw the divine mother in his wife and yet acted like a husband by allowing her to massage his feet. Thus the

Holy couple lived together in a unique bond of love and devotion in the heights of God consciousness without a trace of worldliness. After her husband's demise, she could not wear the widow's garb, as she distinctly felt his continued presence with her and was the source of strength and inspiration in establishing and running the twin great organizations, Ramakrishna Math and Ramakrishna Mission at Belur in the district of Howrah (West Bengal). Gradually she became the Mother with great love and compassion for all creatures.

Swami Vivekananda (1863-1902)

Swami Vivekananda was born as Narendra Nath Dutta in a liberal and well-to-do family of Kolkata. As a boy, he used to spend long hours in a meditative pose and later on, had radical & modern thoughts. As a true rationalist he rebelled against the idea of accepting anything of faith. He desired to satisfy himself with reasons and evidences. No preaching or sermons were acceptable to him straightway. He met many religious leaders but none could convince him about the existence of God. He had become restless in search of truth when he came in contact with Sri Ramakrishna. Previously he did not believe that the individual and the supreme are identical but Sri Ramakrishna's teachings and careful handling made him realize the all pervasiveness of the 'Spirit.' Thus at the feet of a simple and almost illiterate Ramakrishna, the most intellectual humbled himself.

Swami Vivekananda became highly famous after his historic speech at the Parliament of Religions at Chicago in

America in the year 1893. Through him the western world was enriched with a proper idea about the imperishable wealth of spiritual and cultural treasures of India. It is also truly held that the said Parliament is remembered because of Swami Vivekananda. The reasons of his universal popularity is to be traced to the fact that he tried to raise the dignity of man to the highest level and dedicated himself with great devotion to the service of the suffering humanity. His personality bled at the sight of human suffering. He declared that service to the poor, the illiterate, the ignorant; the afflicted is the highest religion. God is present in every 'jiva' and there is no other God besides that. The dignity of man was raised above everything else and he was emphatic on the point that one can find peace and prosperity by serving the suffering humanity more easily than offering tons of fruits and flowers at the holy altar of God. The example he gave was very simple. In our daily life, he said, we find a father is naturally happy when his children are well taken care of. How can the Supreme Father be happy when tons of flowers and fruits are offered to Him in the temple but His children outside are starving or suffering from ailments? His mission was both national and international. Like Bhagiratha, he brought down the stream of spirituality from the height of Ramakrishna's life for the benefit of the mankind.

As a great lover of humanity, this patriot Saint of Modern India upheld the glory of India's ancient heritage and stressed upon the need for formulating all national programmes on the basis of spirituality. His "Lectures from Colombo to Almora" was the fountain-head of national inspiration to hundreds of freedom fighters of the country.

He lived a short life of thirty nine years of which about a decade was spent in intensive social work including establishment of the great Math in the name of his Master at Belur (Howrah). Yet he left for posterity his four classics – Janna Yoga, Bhakti Yoga, Karma Yoga and Raja Yoga, all of which are outstanding treatises on Hindu philosophy.

It has been said that if Ramakrishna was the thought – Swami Vivekananda was the expression. Both the Master and the disciple revealed the spirit of Hinduism at its best and highest espousing at the same time that philosophy and not mythology and rituals was the very soul of every religion. It is because of mistaken attitude towards religion that different communities could not tolerate each other. The cardinal principle of Ramakrishna Movement is “Atmana mokshartham jagatddhitayachaa (the liberation of the self and the welfare of the world)”. Swami Vivekananda showed how renunciation can go hand in hand with intense activity for the sake of others.

We are not here to make our life easy and comfortable;

We are here to find the Divine; to become the Divine and to manifest the Divine.

A background note on Ramakrishna Vivekananda Mission and Vivekananda Math

More than 175 years have passed since Swami Vivekananda, the great disciple of Sri Sri Ramakrishna left this mortal world. The thoughts and ideas, he has left behind, have attracted the attention and caught the imagination of people all over the world. The universal popularity which he enjoyed during his life is explained by the fact that he was a lover of man above anything else, a lover of the poor and the pariahs of our country. It is through service to those poor people that he wanted us to worship God first and then to go to a temple or a church. This, he thought would solve many of our basic problems like those of food, education, shelter etc. and also give us a great impetus in our religious pursuits. He had the utmost faith in the ability and efficiency of Indian youths and he wanted only one thousand young people to be dedicated and scarified at the Holy altar of our nation, our motherland, India, with a view to building up the nation and re-generating its vitality in all directions, particularly in the spiritual field not only for their own good but for the good of other nations as well. His dream of future India has not come true as yet. Hence the malady in all sphere of our society, spiritual as well as mundane.

The only God that Vivekananda wanted us to worship first is the Human Soul in the Human Body i.e. "WORSHIP SHIVA IN JIVA" before pursuing any other religious rites. But unfortunately, we have failed to follow his instructions. The Stone-God is still being fed abundantly in temples while the living Gods are dying of starvation on

the street. Instead of worshipping Gods, Vivekananda meditated upon, we have made Vivekananda a God, additional to the existing ones and worship him well enough in his statues and temples. The poor and the pariahs have remained where they were before; they are still living in darkness and distress, in hunger and thirst, in slums and huts. We have only learnt how to spread about Vivekananda's teachings from the press and platform, through Radio and Televisions, without spending even an ounce of our energy or a penny from our earnings for the people for whom Vivekananda lived and died.

It is in this context that the Ramakrishna Vivekananda Mission came into being at the initiative of a band of young Sannyasis and Brahmacharis, devotees dedicated to the welfare of the poorest of the poor people of this country, with a view to realizing the Highest Truth in life through selfless service to the suffering humanity irrespective of caste, creed, religion and place of birth. The Mission came into existence on the 25th October, 1976, in a dilapidated building on the bank of the holy river Ganga at 7, Riverside Road, Barrackpore, district North 24 Parganas, West Bengal, India. It was registered as a society with effect from 1st November, 1976, under the West Bengal Societies Registration Act, 1961 and its actual work started from 1st January, 1977, with only 20 tribal boys from the districts of Birbhum and Bankura, accommodated in the new Welfare Home. Simultaneously a school was started on the grass with a fencing of hessian cloth, as dedication, and not fund, was the only resource available to the Mission.

Vivekananda Math was established in 1977, at 7, Riverside Road, Barrackpore and registered as a Trust in

1980, with a view to providing a platform for the truth-seeker to lead a life in conformity with the teachings of Sri Sri Ramakrishna. The Math prepares monastic workers in accordance with the guidelines laid down by Swami Vivekananda and arranges initiation (Diksha) of devotees. It is a place for preparing oneself in spiritual discipline while performing Missionary activities, in the centres set up and administered by Ramakrishna Vivekananda Mission and Vivekananda Math. In fact, the Math functions on the twin ideals of renunciation and service as emphasized by Swami Vivekananda.

The Trustees of the Math organize festivals on the occasions of birth days of Sri Ramakrishna, Sri Ma Sarada Devi, Swami Vivekananda and other direct disciples of Sri Ramakrishna and Lord Buddha, Janmastami, X-mas, Durga Puja, Laxmi Puja, Kali Puja, Viswakarma Puja and Saraswati Puja etc. Every Ekadashi day Ramnama Kirtan is also arranged. At all temples at different Mission and Math centres daily prayer and worship is a must.

Apart from the temple of Sri Sri Ramakrishna at Barrackpore, the proudest possession of Vivekananda Math is the Naranarayan Mandir at Joyrambati. Just as a “Kumari” is worshipped during the Durga Puja, a boy not exceeding the age of 8 years is worshipped daily at the ‘Naranarayan Mandir’. Any devotee is welcome to perform this puja at a cost as desired by him. This sort of non-traditional puja which serves a poor boy and brings joy to him along with some material benefit, is sure to enrich the devotee spiritually. In fact, this is meant to give a practical shape of Swami Vivekananda’s idea of God Worship in Man (Shiva in

Jiva). Said Swamiji, “If in this world one can bring a little joy and peace even for a day into the heart of a single person that much alone is true: all else is mere moonshine”.

Ramakrishna Vivekananda Mission is a registered society and Vivekananda Math is a registered Trust. The respective ownership, management and control of the Mission and the Math have been entirely vested with the Governing Body of the former and the Board of Trustees of the latter. The Governing Body of the Mission consists of both monastic and non-monastic members but the Trustees of the Vivekananda Math are all monastic members. Both organizations have their headquarters at Barrackpore and people in general, link the name of the Mission with all activities of the Math as well. Both the Mission and the Math have separate funds with separate accounts. In addition to donations from individuals and non-official organizations, the Mission receives financial assistance from the Government. The accounts of the Mission are annually audited by auditors selected in the Annual General Meeting of the Mission Society. The Math fund, however, depends on donations mainly from disciples and non-official sources.

In this connection it is stated that the Ramakrishna Vivekananda Mission and the Vivekananda Math at Barrackpore and their branch centres are legally and constitutionally separate from the great organizations viz. Ramakrishna Math and Ramakrishna Mission at Belur (Howrah) and Sarada Math and Ramakrishna Sarada Mission at Dakshineswar (North 24 Parganas) and their branches throughout the country and abroad.

RAMAKRISHNA VIVEKANANDA MISSION

Significance of Emblem

The Mission bears the Holy names of the Great Master, Sri Sri Ramakrishna and his disciple & “Alterege” Swami Vivekananda. The Emblem is, therefore formed with their pictures.

Words “মামনুষ্মর যুদ্ধাচ ” under the picture of the Great Master are from Srimat Bhagabat Geeta in which Lord Krishna urges Arjuna to remember him constantly and also to work (fight).

Said Sri Ramakrishna, “God has given you two hands, work for your family with one hand and worship the Lord with the other through Jnana, Karma, Bhakti and/or Yoga as may be expedient to you, so that you may reach God when the life in this world is over.”

Words “SERVE GOD IN MAN” under the picture of Swami Vivekananda indicates briefly the whole philosophy of Swami Vivekananda, which, in his language, is called practical Vedanta or Vedanta philosophy in practice.

How you can help the Mission

Even though a lot of is being done both by the Government and the non-Government institutions like ours, the sheer vastness of the problem of poverty and the suffering of the poor because of poverty makes our efforts not quite adequate. Obviously there is need to do more. We invite you to kindly join us in our efforts to serve the poor and the needy. Given below a short description of how you can do that.

1. Anyone can sponsor the maintenance, education and training of a destitute boy or girl paying Rs. 1500/- per month.
2. Subscription can be paid on a monthly basis.
3. Contribution in kind such as food-stuff, clothing, sports goods, furniture, books, stationeries, cooking utensils and electric fans etc. are welcome.
4. Gifts in kind such as land, building, machinery and any other equipments for Vocational Training of boys and girls and for training of small and marginal farmers in modern agricultural technology are also gratefully accepted.
5. For proper maintenance and development of Health Service Centre at village Suryapur, Dist. North 24 Parganas (Barrackpore) with arrangements for treatment of leprosy, hypertension, diabetes and other chronic diseases, generous assistance is required.
6. Donations can be made for the purpose of commemorating a departed soul and also for celebrating the birthday of an individual every year by making one time Fixed Deposit of Rs. 50,000/- (Rupees Five Thousand only) per head. Donations to the Mission are exempted from payment of income tax under section 80G of Income Tax Act. Under section 35CCA of the said Act, donations for Rural Development projects of the Mission are however, fully exempted from payment of Income Tax.

The Mission maintains, entirely free of cost, poor children who have lost both parents. Anyone having knowledge about such children may kindly contact the Headquarters at 7, Riverside Road, Barrackpore. Phone :2592 0547

INDEPENDENT AUDITORS' REPORT

**To the Governing Body
RAMAKRISHNA VIVEKANANDA MISSION**

Report on Financial Statements

I have audited the accompanying financial statements of "**Ramakrishna Vivekananda Mission**", Gwalior House, 7, Riverside Road, Barrackpore, Kolkata-700120, which comprise the Balance Sheet as at March 31, 2019, the Receipt and Payment and the Statement of the Income and Expenditure Account for the period from 01st April'1018 to 31st March'2019;

Management's Responsibility for the Financial Statements

The managing committee of the "Mission" is primarily responsible for maintenance of adequate accounting records for safeguarding the assets and for preventing and detecting frauds and other irregularities, the selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent and the design, implementation and maintenance of adequate internal financial controls that are operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of these financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the financial position, financial performance of the organisation..

Auditors' Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted the audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the

financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Opinion

With respect to other matters to be included in the Auditors Report ,in my opinion and to the best of my information and according to the explanations given to me ;the financial statements give the information required in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :

- (a) in the case of the Balance Sheet, of the state of affairs of the trust as at March 31, 2019;
- (b) in the case of the Income & Expenditure, of the surplus for the period ended on 31st March'2019;
- (c) in the case of the Receipts & Payments for the period from 01st April to 31st March'2019;
